KOMENTRI

Sik longlong bilong mani kamap nau

BIPO bipo tru, taim waitman i bin kam krungutim graun bilong yumi namba wan taim, em i bin lukim planti gutpela samting.

Graun we i bin gutpela bilong planim samting, graun we i bin pulap long kain kain ol naispela ston na marasin, na planti ol diwai bilong katim na mekim timba.

Taim em i lukim solwara bilong yumi, maus bilong em i bin wara long mit bilong ol kain kain pis i pulap long en.

Na long taim bipo, ol i bin giamanem ol tumbuna bilong yumi wantaim ol paket sol, ol stil busnaip na tamiok, na ol arapela samting.

Ol nupela samting long ol lain bilong yumi, em i bin inap long ol i givim graun, bus na diwai bilong ol. Tasol nau, ol bai nap mekim wankain?

Nogat tru.

Nau, tingting bilong ol papagraun bilong yumi i op pinis. Busgraun, we bipo em i bin samting nating, nau i gat mining bilong lukautim sindaun bilong ol pikinini bilong yumi na lain bilong bihain.

Tasol yumi noken longlong na kirapim pasin pait nating nating.

I tru, ol bikpela projek olsem Likwifait Netseral Ges o LNG projek bilong kantri bai pulim planti mani tu bilong yumi PNG.

Na ol papagraun bilong yumi i gat rait long laikim wankain luksave long dispela ol mani na developmen i ken kamap long bihain taim.

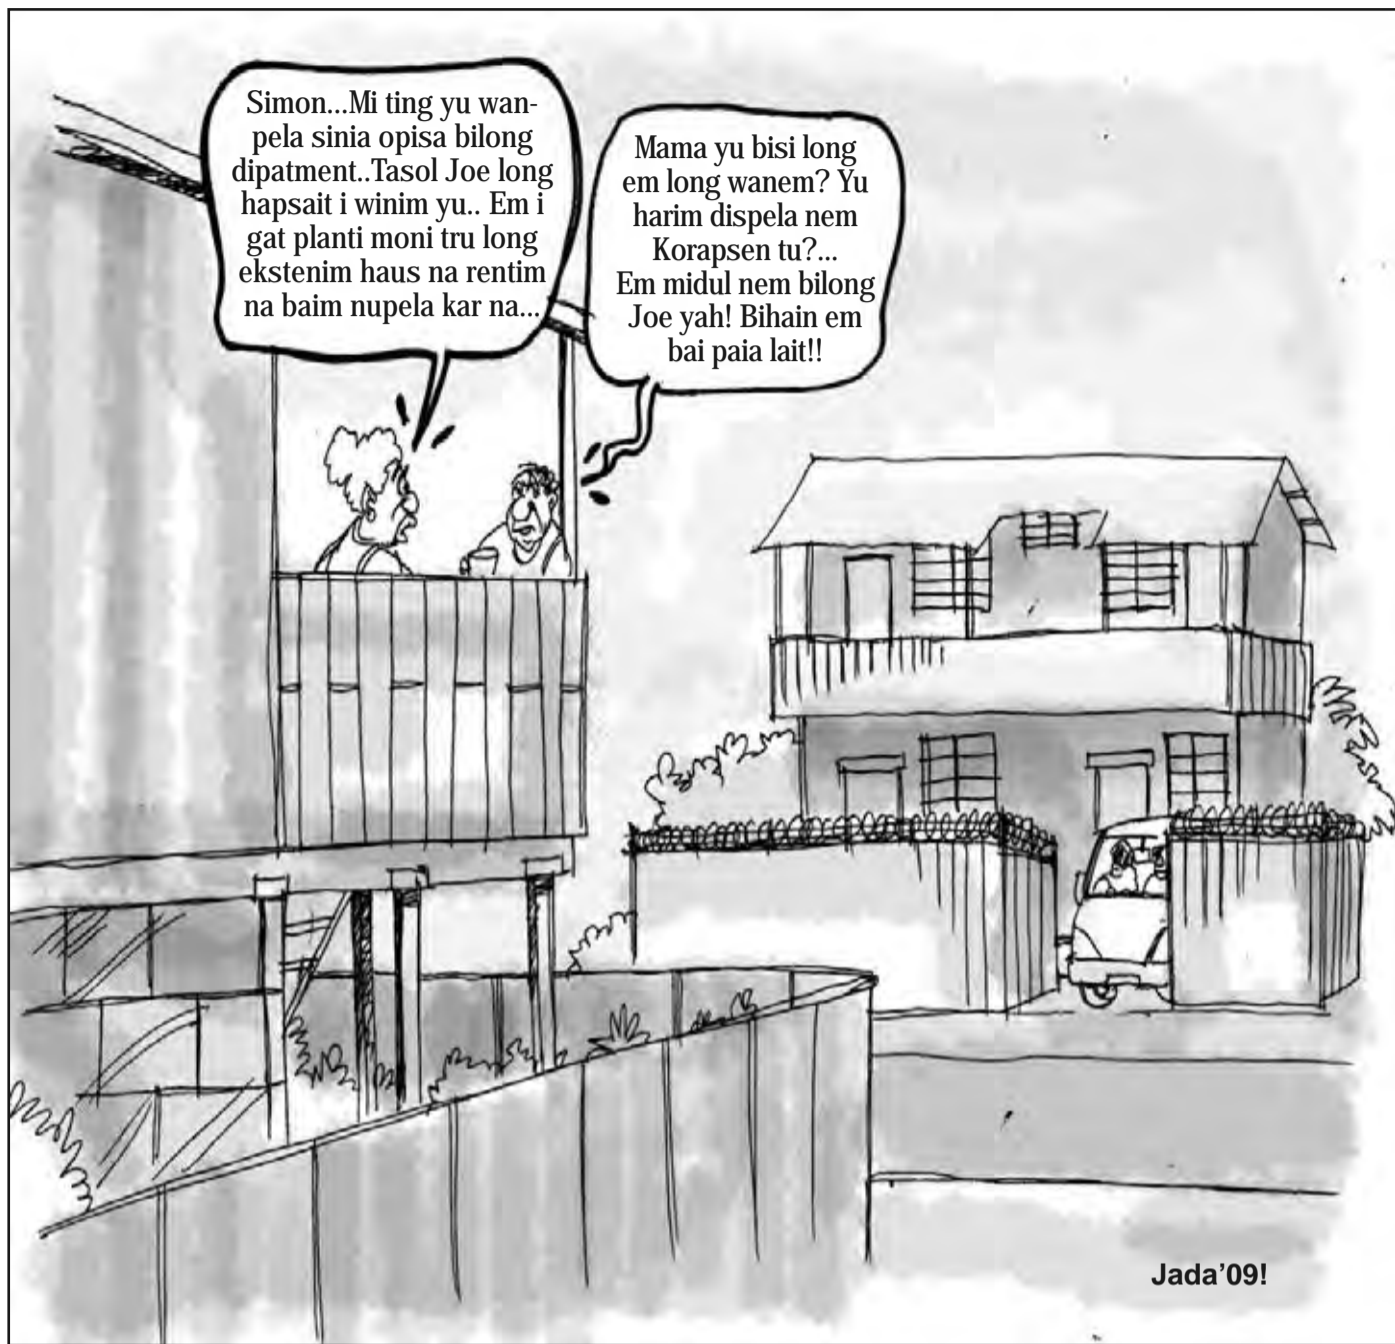

Tasol gavman tu i noken asua. Nau yumi lukim projek bilong Ramu Nikel long Madang i wok long bungim planti hevi.

Long wanem as tru? Bikos gavman i bin kirapim tingting bilong dispela projek, na toktok wantaim divelopa na oraitim em long kam insait, na ol i no stretim gut rot na toktok wantaim ol papagraun. Dispela bikpela asua na paul pasin tasol bai lukim pundaun bilong yumi.

Mani em i mani, na pasin em i pasin, i gat rot i stap long yumi ken holim tupela wantaim na amamas.

Sapos yumi tingting long mani tasol, em bai pasin bilong yumi i no gutpela moa. Na sapos yumi holim tumas ol bikhet pasin bilong ol tumbuna, bai yumi no inap lukim mani i kamap.

Save nau i stap long wan wan long olgeta lain husat bai mekim kamap ol kain bikpela projek olsem LNG projek.

Wanem as na pasin stil na korapsen i kamap?

GUTPELA long lukim olsem ol planti manmeri na ol nius tu i wok long toktok go kam long dispela bikpela hevi o sik yumi save kolim korapsen o pasin bilong stil na paulim mani na ol samting insait long opis bilong gavman o pablik sevis.

Wanpela niusman i tok ol pablik sevens nau i pulap pinis long dispela pasin bilong stil na paulim ol samting. Ol save mekim giaman wok long sait long paulim mani na ol samting.

Wanpela niusman gen i tok i no olgeta pablik sevens i kain manmeri olsem. Em ol sampela lain tasol save mekim olsem na nem nogut save kisim olgeta wokmanmeri bilong pablik sevis.

Dispela em wanpela bikpela hevi na i gutpela long lukim olsem ol niusmanmeri i mekim planti toktok long dispela bikos ol niusmanmeri yet em ol i no pablik sevis. Ol save wok wantaim ol praiwet kampani. Ol wanniusmanmeri tasol save wok olsem ol pablik sevan wantaim ol gavman opis olsem ol pablik rilesens opisa o midia opisa bilong Dipatmen o Minista o long ol Gavman radio stesin

olsem NBC.

Tasol dispela toktok bilong korapsen em bikpela samting we i save kamap insait long ol opis bilong gavman, insait tu long ol kampani, sios na long ples tu wantaim. Pasin bilong mekim hait pasin o giaman pasin bilong stilim mani na paulim ol samting i save kamap long olgeta hap.

As bilong em bikos ol wokmanmeri laikim sampela sait mani long wok ol mekim long helpim arapela lain o ol laik kisim sampela bikpela mani long sait long mekim bisnis bilong ol o ating ol no save kisim gutpela pei long fotnait olsem na ol mekim olsem. I gat planti as long kain pasin stil save kamap long opis tasol em ol sampela tasol mi kolim.

Tasol sapos yumi lukluk i go insait long dispela opis bai yumi ken tok olsem ol wokmanmeri husat save wok wantaim ol yet i gat save long husat wanwok bilong ol save mekim dispela kain

stil o korap pasin. Ol save tasol planti taim ol i no inap long tokaut. Wanpela samting em bikos em ol wanwok tru bilong ol. Pasin poroman long wok em bikpela samting. Ol save long kaikai buai na smok o dring bia wantaim o skelim liklik wan siling go kam long taim narapela i sot o gat hevi. Olsem na husat bai tokaut long narapela? Em bai hat ya.

Sampela liklik opisa tu bai ol pret long tokaut bikos ol bai lusim wok bilong ol hariap tru sapos ol opim maus bilong ol. Narapela tu em bikos wanpela man o meri i mekim sait stil bilong em long wanpela taim, orait long narapela taim bai narapela opisa i mekim bilong em. Ol arapela opisa bai helpim em long mekim dispela hait pasin bilong em pastaim na bihain dispela opisa tu bai helpim ol bihain taim sans bilong ol i kamap.

Yumi lukim long niuspepa olsem ol kainkain lain wok long kisim ol graun bilong gavman nating nating long ol taun na siti, ol lain kisim ol gavman haus nabaut nabaut long ol taun na siti, bikpela mani paul long ol gavman opis sampela mani hait

long ol ovasis benk na planti moa paul pasin yumi ritim o harim long nius.

Olsem na husat tru inap long stopim ol klinim dispela kain stil pasin long ol Gavman opis ya? Wanem kain rot bai yumi mekim o bihain long stopim na klinimdispela kain pasin long kamap?

Em bikpela askim na nogat wanpela ansa em isi long kamapim long stretim dispela hevi hariap. Tasol wanpela samting tasol em olsem, yumi mas skulim ol pikinini bilong yumi long kamap wantaim gutpela pasin bilong harim tok, wok hat long kisim samting, gat rispek long samting bilong arapela lain na pasin bilong tingim famili na kantri bilong em olsem bikpela samting we em mas wok hat long sevim.

Wanpela rot tu em long gavman mas stat long apim gut pei bilong ol pablik sevens na givim ol gutpela alawens bilong baim haus slip bilong ol. O nogat wokim ol haus bilong ol pablik sevens long stap gut long en na go kam long wok.

NGIP-Agmark Group Hardware Division

Message by Bodo Pinczel, National Hardware Manager, Agmark Hardware

NGIP Agmark group of companies is a diversified agri-business based in Papua New Guinea operating Plantations, Coastal Shipping, Transport, Heavy Machinery, Agricultural Supply and Hardware Building Supply businesses and is the proud franchise owner of the Agmark Gurias.

NGIP Agmark is Papua New Guinea's leading cocoa company, the country's largest cocoa grower, trader and exporter. The company trades more than 60% of PNG's cocoa into Asia, China, the USA and Europe shipping directly to the world's largest chocolate manufacturers. It is also involved with the marketing and trading of a range of other agricultural commodities including vanilla, copra, essential oils, chillies, pepper and other spices. It is headquartered in Kokopo, East New Britain Province a part of the world unique for its peaceful, tropical vibrancy and diverse environments (active volcanos, magnificent diving, luxuriant rainforest, pristine rivers).

NGIP Agmark's footprint includes Plantations in East New Britain Province, cocoa buying points across the PNG islands and mainland, coastal shipping based out of Rabaul, land transport in East New Britain Province, engineering fabrication in Kokopo, heavy machinery sales and spare parts in Lae and of course Hardware & Building supply outlets at 9 locations throughout Papua New Guinea.

From its humble beginnings our growing network of Hardware & Building and Agricultural retail centres are now located at Talina (Kokopo), Rabaul, Warrangoi, Kerevat, Kokopau, Kimbe, Lae, Madang and now with the opening of our newest branch in Papua New Guinea's capital Port Moresby, making it truly the

biggest nationally owned Hardware & Building supply business in the country. Our vast network prides itself on sourcing quality products matched to our diverse customer base throughout the country.

Agmark Hardware core range of products includes: Comprehensive range of hardware and building materials such as quality Hardware & Tools, Plywood, Fibro Cement Sheeting, Hardboard, Cement, Insulation Foil & Blanket, Timber, Ceramic Wall & Floor Tiles, plus much more.

Comprehensive range of PVC DWV, Pressure & Polybutylene Plumbing Fittings & Pipes.

Comprehensive range of Paint.

Comprehensive range of steel such as Galvanized Pipe, Galvanized SHS & RHS, Universal Beams, Reinforcing Steel & Mesh, Galvanized Flat & Angle Bar.

Agmark Hardware stocks all the famous brands and prides itself on quality and service and is capable of sourcing any product from anywhere around the world. The growth of our hardware business has given Agmark Hardware exceptional buying powers that results into consumers receiving quality products at the very best prices. We pride ourselves on having the best products and the best prices in PNG.

Our branch in Port Moresby is situated ideally in the Gordon's commercial area directly opposite Brian Bells Home Centre. With easy access and plenty of car parking available, shopping at Agmark Port Moresby has never been easier and more affordable. Let our experienced staff serve you and give you the best possible service at the very best prices in town.

So why not "Get the Job Done" with Agmark Hardware!
