**BANK OF PAPUA NEW GUINEA**

## PUBLIC NOTICE

### WARNING AGAINST FAST MONEY SCHEMES & SCAMS AND ILLEGAL CURRENCY - BOUGAINVILLE KINA

#### FAST MONEY SCHEMES AND SCAMS

The Bank of Papua New Guinea (BPNG) continues to warn the general public that despite the ongoing awareness about Fast Money Schemes and Scams, many people still place their money/cash with these Money Schemes with the promises of receiving very high returns or interest on their money. The public is reminded again that anyone who promises to pay very high returns or interest (e.g. 100%) for the money they collect, are complete LIES and such actions are FRAUDULENT and ILLEGAL.

Many people who placed money with these schemes have been waiting for months and years, and promoters often claimed that their funds are invested with the BPNG, in overseas funds or Gold, and the proceeds from these investments are subject to clearance from BPNG or the Government of PNG. These claims are all complete LIES.

The BPNG does not hold or deal with funds or investments from the general public or individuals, including those Illegal Money Schemes. Those investors waiting for months and years or their pay-outs from these Fast Money Schemes can consider themselves LOST as they will never get their money back.

Money Schemes and Scams come in many forms, and some of those that already exist in PNG include the following types:

- mobile phone/text messages informing individual of a lottery win and requesting an upfront fee for processing;
- agents collecting money from the public promising high returns, e.g. U-Vistruct and Papala in;
- letters asking for advance fee payment for release of funds, e.g. Nigerian scams, etc.;
- individuals claiming to have in possession concealed foreign currency brought into the country that can be cleared by special ink and are asking for the processing fee; and
- telephone calls from unknown persons informing of a big win.

**PLEASE BE WARNED: DO NOT BELIEVE ANY OF THESE ILLEGAL AND FRAUDULENT FAST MONEY SCHEMES AND SCAMS. DO NOT GIVE YOUR HARD EARNED CASH TO THEM, OR ELSE YOU WILL NEVER GET IT BACK. DON'T BE A FOOL, USE YOUR MONEY WISELY AND PRUDENTLY, AND DON'T GIVE IT TO A FAST MONEY SCHEME OR**

#### FALL VICTIM TO A MONEY SCAM

#### ILLEGAL BOUGAINVILLE KINA

The public is warned to refrain from dealing with individuals or business houses using the Bougainville Kina, which is an Illegal Currency promoted by the self-proclaimed king Noah Misingou of the kingdom of Papala, and its fast money scheme "U-Vistruct", and the so-called International Bank of Mekehamui or Bougainville located in a particular area of the Autonomous Region of Bougainville (ARB). The Bougainville leaders have publicly rejected this illegal currency and do not recognize its promoters.

The BPNG is aware that this illegal currency is already in circulation, and the public and business houses are strongly warned not to accept it. Recent attempt by a foreigner to bring a large quantity of this illegal Bougainville Kina into PNG was unsuccessful as this person was apprehended and is awaiting prosecution.

The public should be aware that there is only one legal central bank in PNG established under the Central Banking Act, and that is the Bank of PNG or BPNG. Under the Central Banking Act 2008 the Bank of PNG is the only authorized institution mandated to issue Papua New Guinea currency called KINA and TOGA, which is the legal tender or monetary unit. Therefore, any other currency bearing the name Kina, or consist of a defaced Kina design and appearance like the Bougainville Kina, is deemed **FAKE, VALUELESS and ILLEGAL**.

I urge all good citizens of Papua New Guinea to be fully aware of the above advice, and assist in spreading awareness on them to other citizens and potentially vulnerable people.

I also urge the public to report to the Bank of PNG or police any information on Fast Money Schemes and Scams, and anyone promoting the use of the illegal Bougainville Kina or other types of currency other than the PNG Kina and Toga. Our contact numbers are 3227299 or 3227554

# AMNESTY PERIOD FOR ALL FORMS OF ILLEGAL WATER USAGE

WATER PNG is introducing an AMNESTY PERIOD effective as of the date of this advertisement to the 1st of APRIL 2014.

Over the years Water PNG has been committed to provide quality water to Papua New Guineans. However illegal water usage has drastically increased affecting our operations to continue to provide water and safe sanitation services. Hence, we are undertaking a nationwide Clean-Up Exercise to address this critical issue. Addressing illegal water usage will enable us to serve you better at an affordable cost but;

**WE NEED YOU TO DO YOUR PART!**  
**Visit your local Water PNG Office and get connected before Amnesty Ends on April 1st.**  
**Take advantage of the Amnesty Period.**  
**No Charges, No Penalties, No Shame! It's Amnesty!**

After Amnesty, a Task Force will be deployed to identify and physically remove any illegal pipes in your area and block off main pipes.

OFFENDERS will be punished under existing laws of the Criminal Code Act and the Water and Sewerage Act. People found guilty of illegal use of water from Water PNG system without any prior written consent can be fined a penalty fee ranging from K500 to K10, 000 and/or even imprisoned (sent to jail).

Water PNG, formerly PNG Waterboard, is mandated by Parliament under the National Water Supply and Sewerage Act 1986 to coordinate planning, design and construction of water supply and sewerage infrastructure; and manage and charge for supply of water and sewerage services in Papua New Guinea except NCD. Water PNG operates in 14 Provincial Towns and five District towns in Momase, Highlands, the New Guinea Islands and Southern Region.
